Odontosyllis enopla, Bermuda Glow Worm, Study of a bioluminescent . and Franke (1999) believes nocturnal swarming is an adaptation to avoid predation. The worm known as the "fireworm", the Odontosyllis phosphorea reproduces . [The swarming] happens at twilight, so the daytime predators have gone to bed Get PDF (1445K) - Wiley Online Library Polychaetes of the genus Odontosyllis from Bermuda show spawning swarms throughout the year, with lunar periodicity: shortly after sunset, the bioluminescent. Notes on Odontosyllis. Download the DAISY.zip for The swarming of Odontosyllis. Books for people who dont read print? The Internet Archive is proud to be distributing over 1 million The swarming of Odontosyllis [electronic resource] / . Digital Public . The syllid polychaete Odontosyllis phosphorea produces brilliant displays of green bioluminescence during mating swarms. We studied freshly collected Odontosyllis and Columbus 11 May 2009 . Goodrich (1933) found that individuals of Odontosyllis enopla survived swarming and considered that they might live to breed again. On the Life-Style and Life-Cycle of the Luminescent Polychaete . Life of the luminescent polychaete Odontosyllis enopla and brought them under laboratory conditions in order to clarify whether the worms survive swarming and. Reversible epitoky in the life history of the polychaete Odontosyllis . species is ready to spawn and the swarming of a large number of polychaetous annelids including syllid polychaetes in the genus Odontosyllis which were . Details - The swarming of Odontosyllis - Biodiversity Heritage Library 14 May 1998 . Dear Colleagues, You might find interesting a detailed set of observations and notice linking swarming Odontosyllis enopla with the mysterious The swarming of Odontosyllis [microform] : Fraser, C. McLean Fraser, CMcL., 1915: The swarming of Odontosyllis. Ottawa Transactions of the Royal Society of Canada, 9(sect. 4: 43-50 First report on mass reproductive swarming of a polychaete worm . 559) L. R. Crawshay mentions the swarming of Odontosyllis phosphorea, Moore, in this neighbourhood. He refers to the observations made by Potts¹ in 1911, Around the Pier: Fireworms at Mission Bay Scripps Institution of . investigators linked the bioluminescence of Odontosyllis with the mysterious lights described by . 1—2 min to tally the number of females swarming in the. lunar periodicity and bioluminescence of swarming odontosyllis . Life Cycle - UWL Website Among annelids, marine worms and earthworms both contain luminous forms. Odontosyllis, the fire worm of Bermuda, swarms in great numbers a few days after Swarming of the Polychaete Odontosyllis phosphorea Moore, var. Nanaimoensis Berkeley, near Nanaimo, B.C.. E. BERKELEY. Marine Biological Station The swarming of Odontosyllis (Open Library) Catalog Record: The swarming of Odontosyllis Hathi Trust Digital Library .
